Premier wooded lot in the sought-after mountain development of River Bluff. This lot has a superior slope for a walkout basement home. It should have a great view towards the East with the clearing of trees. The lot slopes from the road downhill to the rear. River bluff is a well laid out development where all of the lots are large to maintain privacy, you will never feel crowded here. The location is good to experience all the activities to be enjoyed in the mountains, Hiking, fishing, sightseeing, biking, or just for scenic drives into the beautiful mountains to the north.
